Professional Summary

Front-End Developer specializing in **React, Next.js 15, TypeScript, and TailwindCSS**, with hands-on experience building modern, responsive, and high-performance web applications. Skilled in authentication, API integration, and state management using React Hooks and Redux. Experienced in developing real-world projects including e-commerce platforms, dashboards, social media apps, and portfolio websites. Seeking a Front-End position to apply my skills and grow within a professional development team.

Technical Skills

Front-End

- HTML, CSS, Bootstrap, TailwindCSS
- JavaScript (ES6+), TypeScript

React & Next.js

- React Hooks, Context API
- Vue.js
